President Message

Dear Executive Committee Members and Colleagues,

I am delighted to have four newly elected EC members namely Patrick Ho, Ivan Chiu, Harley Kwan and Benny Tam together with our existing EC members totaling 18 who are dedicated to serve our Board for the ensuing 2007 office.

As always, 2007 will be a year of opportunities and challenges going forward.

If one would browse through statistics from the Office of the Commissioner of Insurance, you would have noted that there are 482 Authorised Insurance Brokers; 5041 CEO & Technical Representatives of Insurance Brokers, 28,919 Registered Insurance Agents and 21,106 Responsible Officers and Technical Representatives of Registered Insurance Agents.

We are talking about more than 60,000 intermediaries in Hong Kong who are transacting insurance broking and agency activities and it also signifies the livelihood of thousand of insurance personnel and their families!!

But as an insurance intermediate, we are from time to time encountering undue pressure as well as unfair competition due to 'Bancassurance' from Bankers and prejudicial treatment of Insurers towards small to median size brokers and agents.

Recently, some EC members have attended a seminar on 'Competition Policy in Hong Kong' and have subsequently expressed our view in writing to the Economic Development Branch, HKSAR.

Anyway, I trust that all of us, as insurance intermediaries, will continue to uphold our professionalism and strive for the well-being and betterment of our industry.

Wish every one of you a Prosperous and Successful Year of the Pig!!

Kung Hei Fat Choy!!

– President Roger Tsang Feb. 07
