

President Message

Dear fellow members,

We had just gone through a real hot summer. The global economy has been showing a positive recovery and hope that you have gone well in both your personal and business pursuit.

As usual, your Chamber had successfully organized various activities to members in last two months. A CPD course, a visit to a rehabilitation centre of Fu Hong Society and August Last Friday Drink were held.

Please watch out for more activities organized for members and join us!
Thank you for your support.

Good luck and good health!
